Michele Dickey is an Assistant Professor of Instructional Design and Technology at Miami University. Her current areas of research include the design of interactive and game-based learning environments, gaming, the gamers' aura, Wright Media Entertainment, and watching the crypto market. Any time I suggest a strategy, it should be considered as if I was a coach for a fantasy football league and taken as game play advice. Along those lines, remember that when trading, it is always a good strategy to be safe and set a stop-loss order.
